Samantha & Christie

As soon as I laid eyes on Sammie and her gorgeous red hair, I got a feeling that she was someone special. Sammie had been in some of my classes at the university and had only said hello a couple times. We lunched with a group of friends a few times and I got the courage to ask her to lunch after our chem class. She agree and next day we were off in a corner of the campus with our backpacks and protein shakes. One of the things that caught me ear was when she said was interested in girls on a sexual level.

> “MY FAVORITE POSITION TURNED OUT TO BE SIXTY-NINE, BUT WE DID THEM ALL!

I thought about it for just a second before I mentioned that I too wanted to experiment with a girl... boys were too aggressive for me. As soon as I realized that this was a girl who had never tried anything with a woman, I began to get wet. If I could only convince this beautiful girl to make me her first sexual experience with a woman. That turned me on so much I was afraid my moistness would start showing through my pants. The more we talked, the more I realized this may be easier then I thought. I convinced her to come home with me and before long we were tasting her sweet juices as we licked each other to orgasm after orgasm..

WE LOOOOOVE EATING THAT SWEET PUSSY...

goldie

There is no doubt in our sex-crazed minds that you're going to love this petite beautiful babe. She has the face and body to do professional modeling but something tells us it might be a little difficult for her to get mainstream work after seeing these photos. Most modeling agencies want an innocent girl without a history in nudie pix. Of course, she had no way of knowing it at the time, but this golden honey is now the star of many videos the modeling agencies should not see.

"I like taking my clothes off for an appreciative audience like you, and you, and you."

Soon Goldie will have countless horny guys and girls watching her getting off on her having sex. The adventurous ones will want to be her partner while the lass ambitious will take roles behind the scene with cameras and light. The truly timid (but still horny) will want to just sit back with this magazine or get on the computer and watch her video and just get off that way. Not that there's anything wrong with that. Any way you slice it, Goldie is one beautiful girl just waiting to get your cream pie. EnElizay.

BLAIR-NTS-04

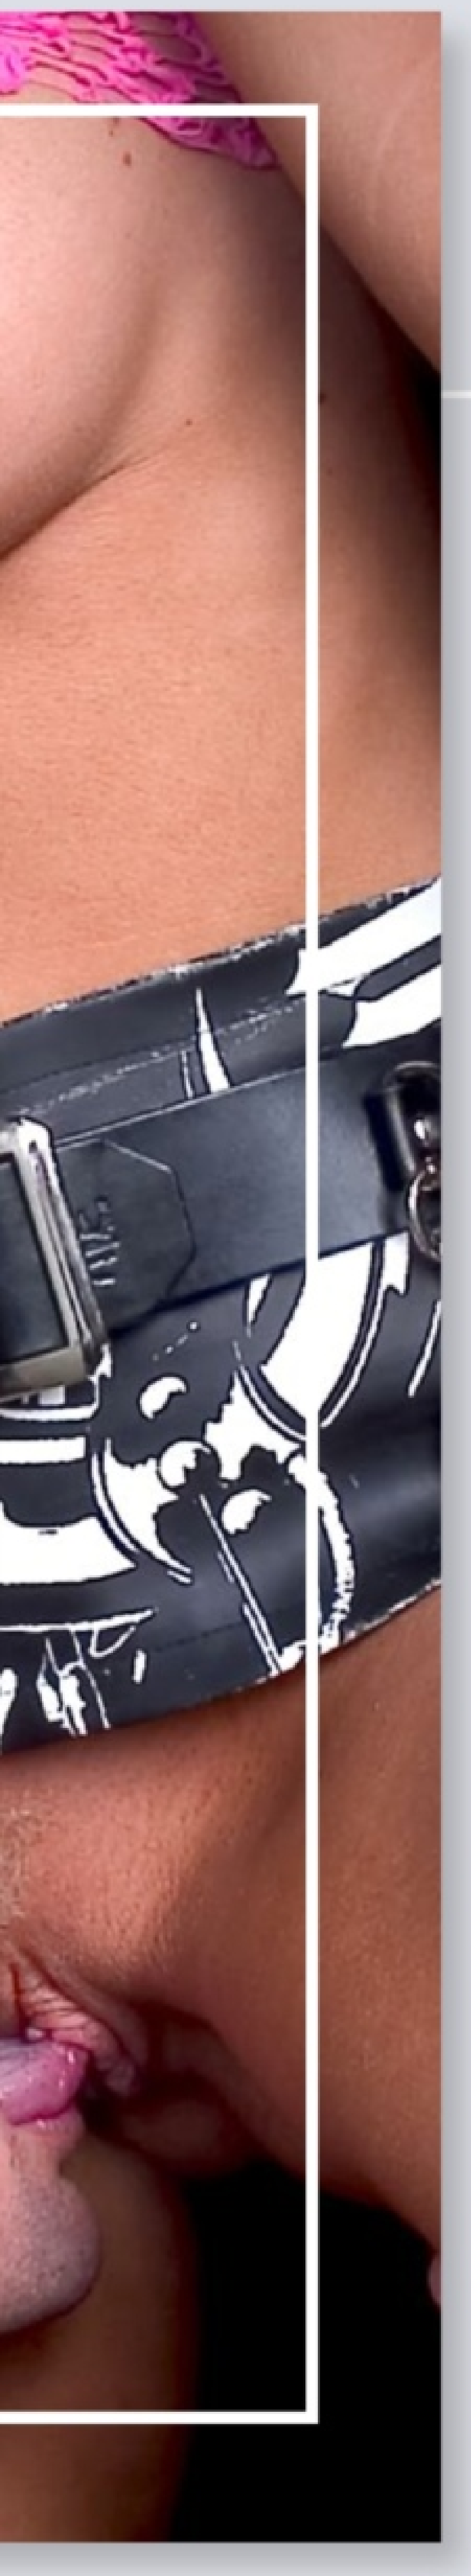
FROM NERD TO HERO

I was in my college physics class when I had to use the restroom really bad. I asked the professor Mr. Zimmer if I could please be excused, clasping my hands like in prayer to express the urgency of my bowels. He looked at me and nodded and I bolted quietly out of the room and headed down the hallway. As I walked down the hall to the restroom, I saw Nataly, easily one of the prettiest girls in the school. Nice ass, medium breasts and a beautiful face. Nice everything.

My name is Trevor. I'm 20 years old and a senior at this community college in Denver. I'm about 5' 10" and slim and trim. Because I work out, I have some muscle, but mostly I'm fit and in good shape. Most of the students commute but there may be a couple hundred in three dorms, all coed. I'm not sure but I think Nataly is in one of them. So, my life is pretty average here, not boring but not exciting. Classes all day long, studying in the evening, party on the weekend – and no sex. Until a week ago.

When I saw her up close there in the hall, I figured she was way above my cool level. She saw me and slowed her walk. As I was about to go by her, she said "Hi." I was pretty surprised considering she had never talked to me before, but I said "Hi." back to her. I tried my best to quell the swelling in my bladder, and in a minute, my pants. She started talking casually to me until she said, "I have a surprise for you." This is pretty weird, I thought. A hot girl telling me she had a surprise for me, standing in the middle of a science building hallway? I looked around quickly to see if there was a camera crew or I was about to get a joke played on me.

She pointed to the ladies room right across from us and said and to come with her in there. I started trying to make up some lame excuse about why I shouldn't and it was against the rules, when all of a sudden she stepped forward and kissed me. Her soft lips molded to mine, and I was in heaven. After she pulled away and smiled at me, I thought what the hell and followed her in. My bladder mercifully eased up. We went in and she told me to wait outside the stalls and walked into one of them. When she came out she was in nothing but a bra and panties, and her body looked amazing! She was toned, but not weirdly muscled. Her breasts looked amazing in her bra, and were being pushed up but I could tell they were ex-



HAS TO BE A DREAM 'CAUSE IT'S A FANTASY!

tremely firm. Her legs were long and graceful, and led up to an amazing firm looking butt, perfectly rounded.

After looking her up and down, I almost came in my pants on the spot. I was rock hard but I started stuttering, asking her what she was doing. She just smiled that beautiful smile and walked over to me and started kissing me again. At first I was shocked but I quickly got over it and started kissing her back. As it got hotter she opened her mouth and I stuck my tongue in her mouth. My tongue met hers and they started doing a slippery dance. I started to moan as my heart rate increased. I took off my shirt and kissed her harder. She then got on her knees and unzipped my jeans, releasing my hard on.

My cock isn't huge, maybe seven inches on a good day. But it was thick and at my age it was enough. She looked at it with wide eyes, then flashed me her beautiful smile again and took it into her mouth and started giving me an amazing blow job. After about ten seconds of heaven, I groaned and came hard, spurting stream after stream of sweet cum into her mouth. After she swallowed it, I collapsed on the floor and groaned loudly. After a few minutes my cock started getting harder. Nataly felt it stir and got up, saying that it looked like I was ready to go again.

Hell yes, I was. She stood up and pulled her panties down around her ankles. Then she spread her legs as far as the panties would let her and she bent over slightly, bracing herself against the wall. She turned back to look at me and then down at her ass sticking out at me. I needed no more encouragement as I lined my cock up with her pussy and pushed it in slowly. I couldn't believe this was happening.

She didn't see me, but I pinched myself hard just to be sure I wasn't dreaming. Nataly's pussy felt amazing, so warm and wet. It surrounded my cock, and held it tightly as I started slowly thrusting into her long and deep. She started moaning, but just then Blinda (yes, there is no 'e') walked into the bathroom. She seemed unfazed by the scene before her, in fact she smiled. Blinda was a tall and curvy Irish girl, with a big ass to die for and some nice looking tits. I recognized her from my Advanced Geometry class.

Without missing a beat, she said, "Mind if I join in?" and went back to lock the door. Being caught up in this unbelievable moment, I just nodded my head in between thrusting my cock into Nataly. I laid on the floor and Nataly lowered her amazingly tight pussy onto my cock, while Blinda was crouched above my mouth. Her nicely coiffed red-haired pussy was right in front of me. It was clean shaven underneath, with very pale outside labia, but when I spread her long pussy lips, I found it pink inside drenched with her juices.

Before my anxious tongue touched her hovering pussy, one drop of her juice fell onto my tongue, and I was addicted. I dug into her pussy, lapping up her juice like it was nectar fit for the gods. I stuck my tongue into her pussy, then started fingering her with two fingers while sucking on her swollen clit.

NOW EVERYBODY KNOWS MY NAME. GOOD THING?

The instant my tongue touched her clit, she went crazy, thrashing around on it through a mind blowing orgasm, all the while Nataly was pumping up and down on my cock. It wasn't long before I came, shooting hot shots of cum straight into her moist warm pussy. She screamed in an intense orgasm. After she and Blinda got up they said that it was the most amazing fuck they'd ever had, and insisted we do it again – sometime.

Soon after that bathroom tryst, word spread that I'd fucked Nataly and Blinda. Everyone at the college seemed to know. My social life instantly changed. Guys and girls wanted to hang with me. The professors also seemed to have an idea and quite a few said 'hey' to me where as they never had before. Recently I was invited to the biggest most exclusive party of the year, being held at Blinda's place.

When I got there, Blinda opened the door and squealed, "Heeeeyy!" She pinched my ass as I walked in past her. Her house was huge and it seemed like every corner of it was full of food and people eating and drinking. I decided to lay low because I was not ready for this many people and I have not yet found myself comfortable in a crowd of people. So I went over to one of the bars and grabbed a glass of wine. I needed it.

I had to use the bathroom and after asking where it was, I started across the room and as I passed this long sofa, a girl stood up off it and blocked my path. I politely said "Excuse me." as I tried to get by but she took a step sideways and stopped me again. This time I focused on her face. I wasn't stopped by just any girl. It was Remmie, and in my opinion, the prettiest and hottest girl at school. I had a crush on her ever since our freshman year. She had never given me the time of day before. but now... "Where you going, Trevor?" she asked.

anastasilia

Anastasilia is a bookworm and an A+ student. She's determined to graduate college at the very top of her class. So every night she puts in at least three to four hours of homework to keep those grades up. Tonight her friend Ilia came by to help her study. But obviously that does not last too long. After correcting a few mistakes on her paper, she turns to thank him. Personally. Orally. It wasn't long before the books were pushes aside and his cock was inside her mouth. Let's start a little slow because there's still two hours to go.

> "I'M TOTALLY NOT WHAT I LOOK LIKE. I WANT TO HAVE FUN AND GET LAID A LOT"

In no time Ana's clothes are off and she gets to work on his cock and balls. She's learned that long slow strokes and deep throats will get her a better grade. By now her pussy is all warmed up and there's no need to hurry, but Ilia can't wait and so it's into her wetness his cock goes. Deep and hard, he spares nothing in driving home his hard lesson. But just to be sure, his last few strokes drive Ana over the edge and she cums like only the best student can. Fortunately for Ilia,that Ana has enough left over to pull that jizz out of his cock and finish off the night with a mouthful of fun.

nicole

Nicole is cute and shy. The whole time, she tells the photographer that she's not ready but keeps flashing him and laughing about it. He has to chase her around the pool for the first hour, hoping she'll hold a pose long enough so he can focus and get the shot he needs. We need. The ones you're looking at right now. Nicole's all-natural boobs are perfect, her nipples just the right size and shape, and inviting you to pinch them. Not to mention her ass is nice and curvy, and her pussy has that sexy stubble of a all night party man in the morning after.

“ I JUST CAN'T WAIT TO GET THAT LITTLE VIBE INTO MY TIGHT PUSSY, CAN YOU?”

Nicole finally slows down when she gets to the orange bench and takes a seat. Right next to it is her bag with her most favorite vibe and can't wait to get started with it. But first it's posing with her long legs pulled up and her sweet pussy winking at the camera. Opened up like the petals of a butterfly, she playfully teases the photographer and herself. Not waiting any longer, she grabs the pink bejeweled vibe and coaxes it into her wet pussy. An inch, then two, then almost all of it. Everyone around wants to be the vibe.

ariel

At my age, growing up in a very conservative household, I discovered porn on the internet. But being naive about it, I was only able to find just a few sites. Being in a large city with a large university I ultimately decided to try a couple of the local sites to hook up with girls. I'm not into the lezzie bar scene and boys ask me out all the time, so I tried the hook up sites. I've even had the pleasure of hooking up with a few of the girls I met over the internet. Most were like me – they wanted to date a girl but just not into the gay-girl bar scene.

"I'M GOING TO SHOW YOU SOME THINGS THAT NOT TOO MANY PEOPLE HAVE SEEN.."

There was this girl that recently came to me asking about getting into the adult industry. I had met her through one of the hook up sites and had once told her that I had done some softcore photos and videos. I met her at a restaurant to see if I could help. I told her a lot of the girls I knew from the sites knew people, like photographers and agents, that could get her started, or at least some part time work. She said she's had sex with girls but never in front of a camera. And she has never done a guy, so I said she had to be sure she was willing to take a cock if she was to do pictures. I suggested she practice before shooting.

WHAT'S A BUNCH OF SORORITY GIRLS TO DO WHEN A GUY SHOWS UP WITH A BIG PACKAGE?

The sorority house was all ours and right at seven the consultant showed up and helped me set things up. A half hour later the first of the guests arrived and all were there by eight. I was nervous but tried not to show it. The sex toy consultant answered all my questions. She told me what games could be played and what products would be available to buy. I had sent out sixteen invites and a dozen or so showed up. A pretty good turn out, I thought.

The consultant was great, the guests seemed to enjoy the products, and there was a lot of girl-giggles and blushes. Fortunately for me, the proceedings went on without a hitch. In addition to the vibes, the flavored lubes and lotions were a big hit. There was even a strawberry mousse in a spray can that my best friend Eliza loved. She joked that it was too bad a man wasn't there to really try it out. Then, as if right on cue the doorbell rings. I answer it and there's a hunky guy in a delivery man's outfit holding a huge package labeled as strawberry mousse. A combined "yahoo" went up from most of the gals and the guy walks in and puts the box on the floor in the midst of them. He cuts it open and hands out a can to each lady there. Around the room, whispered remarks about the mousse or the guy can be heard. He heads for the door as if to leave but just closes and locks it instead.

A hush then fills the room and an electric excitement begins to build. He walks back to the giddy group and asks if anyone would like to test it out on him. A brief hesitation was quickly ended when Eliza shook her can and sprayed some on his outstretched fingers and slowly, seductively licked it off. All the gals were watching intently when Patty jumps off the sofa and goes over to them. She unbuttons his shirt and pulls it just off his shoulders so his chest is exposed. She sprays some on his nipples and begins to lick it off. Not to be outdone, Eliza does the same to the other side of his chest and now the guy's got a girl sucking on each of his manly nipples.

Mason gets up and joins in, nudging the two ladies aside and begins to undo his pants. Somehow, I think he may have been expecting this because he was letting it all happen and I saw the consultant had moved to the back of the room with folded arms and a huge grin on her face. The two that were sucking his nipples look at each other and with big smiles grab the back of his pants and along

> THE GIRLS GATHERED AROUND THE LUCKY DELIVERY GUY AND BEGIN TO SPRAY THE MOUSSE ON HIS PRIVATES

with his boxers, pulls them down to his ankles. Now the guy is standing there in the middle of the room, shirt undone and pants to the floor. Mason takes his semi-erect cock in her hand, palm up, and sprays it with the mousse. She looks back at the remaining ladies and "offers" his cock for licking. As I look around, most of them are stunned or embarrassed, but one, shy Cassidy, is pushed off the sofa by the gals around her and she timidly comes forward. Mason takes her hand when she is close enough and replaces hers with it.

Cassidy is frozen by the action and doesn't even know where to look first. Mason whispers something into Cassidy's ear and after a moment both of them go down to taste it. Licking his cock, er, the mousse, from either side with both gals on their knees is quite the sight. Especially Cassidy, who now is getting into it and is licking the head and shaft and we all watch as his cock gets harder and bigger. Cassidy licks him clean and backs away.

Suddenly a voice from the back shouts out, "Bring him over here!" Eliza and Rachel gently push him over to the sofa now vacant of women and make him sit. They finish pulling off his shirt and pants and push him down so he is laid out on it. As Eliza finishes denuding him, pulling off his shoes and socks. Rachel sprays more mousse on his cock, balls and nipples. A couple of the other girls venture over to the sofa and look down on the guy. One kneels and begins to lick the mousse on his cock. Another is at his chest licking his nipples. Another sprays more mousse on the guy who seems to be taking this all is stride.

Now Rachel is back at his cock. She sprays a little on it and begins to lick it off. All the mousse has disappeared, and so has his cock, down Rachel's mouth. She's actually giving him a blow job right there in front of everyone. Cassidy goes over to him again and kneeling next to Rachel swipes her finger at the mousse still on his balls and licks it off her finger. Rachel pushes his cock against his stomach and, with a sweeping hand gesture, offers his balls to Cassidy. She slightly hesitates, but goes for it with her tongue leading the way. After a few timid licks, she begins to lap at his cock and even takes one of his moussed balls into her mouth. In the meantime, the other gals are spraying his nipples, licking it off and doing it again. I look around and there are three spent cans of strawberry mousse discarded on the living room floor.

The consultant comes over from where she was standing in the back. In her hands is a clipboard with order forms on it. She sits at a chair with an end

THE LUCKY DELIVERY GUY GOT HIS TIP IN THE SHOWER WITH HORNY ELIZA

table next to it and announces that she's ready to take orders. Several of the girls line up while three are still focused on the guy. I herd them away from the sofa and ask the poor guy to get cleaned up and leave. He's made the sale. He looks at me, whispers 'Thanks!' and gets up as I point to the bathroom.

Eliza sees him go and grabs me by the arm and pulls me along. She tells me to come into the bathroom. She takes off her clothes and heads into the bathroom where the delivery guy is showering. I start to leave but I slink in through the open door and there they are in the shower. He cupped her fanny and pulled her closer to him. Simultaneously, she clutched his erection through the shower spray and squeezed it hard, digging her nails into his straining cock.

She clawed at his cock as he turned the shower spray down to a trickle. She lowered her head to his crotch and licked the remaining drops off and then took him in her mouth, swirling her tongue round the swollen purple glans. Then he had her put one leg up on the little built-in bench in the shower. She raised her right leg and arched her back. He reached out, grabbed her by the hips and with one easy movement penetrated her to the hilt.

He pumped her pussy for a few minutes and I felt my own hand slide into my pants to find my wet clit. I refocus on the two fucking in front of me and now she met his thrusts with backward thrusts of her own, her bottom bouncing lewdly on his cock. His hands reached for her breasts and held onto them as he fucked her. The long strokes were over and they had turned into short rapid thrusts... faster and faster... she was cumming and he knew it as well... faster and faster... he was cumming and she knew it as well. He pulled out just in time with a with a huge gush of cum on to her back. He straightened up and she did too turning around to help her rinse his cum off her back.

Meanwhile, back in the living room, the consultant had written over five hundred dollars worth of orders that night, including two cases of strawberry mousse. Two days after the party, I received a phone call from Cassidy and she said it helped Rachel come a little bit more out her shell. And she was hoping to get lucky tonight when they go clubbing.

Since then, I have been to another toy party by a different company. Unfortunately the results were not the same and the consultant wasn't very good. If you are thinking of doing this, you should attend a party that someone else hosts just to see how it goes.

jayden

I once met this guy in college that had the same gap in his teeth as I did, but I didn't know that at the time. Turns out he would tie a string around his two front teeth and pull them tighter together. I told him that I didn't believe him until he showed me by cutting it in front of me and I saw them spring back to the gap. We laughed so hard it hurt. He said that he was embarrassed to have that gap when he met a new person, let alone a girl. But being with me, he could be more of himself. In addition to the gap, we shared much more and I got to like him.

"I'M A LITTLE SHY SO IT'S GOING TO TAKE A WHILE TO WARM UP TO THE CAMERA."

We dated all the way throughout college and for a year later. Then he took a job in Detroit and I'm a sunshine girl. I did not want to move there, so life had to go on. I was a little sad after he left so I started hanging out in South Beach more and more. Well, I guess you can tell what's going to happen now, I got into the late night party scene and met some people that liked to party hard and work hard. Part of that work was fashion modeling, but I was too short. Strangely, my gap-tooth was not the problem, my height was. Doesn't matter, I found my niche and you're looking at it, so kick back and enjoy my gap.

Kate

Kate is a tight and - uh - proper sexpot. Shes got a winning smile that never leaves her mouth, even when there's a cock in it. What does she like doing in bed? She was not shy about telling us, but instead of talking she decided to show us and jumped onto this cock as soon as he whipped it out! She could barely fit the whole thing in her mouth without some serious gagging - we love hearing that sound! Her tight pussy almost couldn't fit the meat either but Kate made it work and she got it in there deep for you to see!

"I AM NOT THE PRIME AND PRISSY GIRL ON THIS PAGES. TURN IT OVER AND SEE!"

Have you ever seen a girl that likes to get two fingers in her ass while getting fucked by a massive cock? You can see that hers and even see it in action on our website – for free. Get that? Two fingers in the ass, cock in the pussy, free video to watch! What more do you need? How about that cock in Kate's tight, firm ass. You can see that too, and wish it was you're cock in her ass. In the end, Kate watch receives a heavy load of jizz directly onto her chest, and you can wish that was your jizz, too! We're glad we can bring you this gorgeous girl to drool over. Drool on.
